Mrs. Otto Gericke returned from a several day's visit in Sebastopol last Saturday afternoon.

Miss Nellie O'Brien of San Francisco is spending the week on her large estate above town.

George Mizue, one of the Japs employed by J. K. Bigelow, spent one day this week in the metropolis

Sam Stahl has resigned from Fests farm and has taken a position as bus driver at Cantor's resort.

Jim Lovett and son are guests at Boyes Springs. Mr. Lovett is a well-known business man of the metropolis.

Larry White of the metropolis is still a guest at the El Verano Villa and seems to be the candy kid with our summer girls.

Miss Lucy Block, a popular young lady of this place, left for Washington last Saturday where she will visit for several weeks.

L. Lowrey, popular foreman of the P. I. Co. here, is busy this week loading a number of cars with hay billed for San Francisco.

Things are rushing in the S. P. yards here. The side tracks are full of cars being loaded with hay for shipment to San Francisco.

Mrs. Sarah Baines, Mrs. Charles Baines and Milton Peterson have returned from a pleasant visit with relatives at Santa Cruz.

Otto Spindler, after undergoing an operation at one of the San Francisco hospitals is recuperating on his father's ranch above town.

It is rumored here that a large hotel will be built on the Baron place, formerly Pioneer Grove. It promises to excel all others in the Sonoma Valley.

Mrs. J. Dutil is in San Francisco where she can be near her husband, who is seriously ill in one of the hospitals there. He recently underwent a serious operation.

Philip Grossfeld of San Francisco has purchased a chicken ranch west of town. It is the intention of Mr. Grossfeld to greatly improve the property and to raise different kinds of prize fowls.

P. J. Kelleher, well-known Irish jig dancer of San Francisco, accompanied by his wife and family, is registered at one of our local resorts. Mr. Kelleher is also a leading Irish tailor of the Bay City.

Charley Horn, well-known San Francisco white hope and who has been giving a good account of himself around Bakersfield, is registered at Crane's Hotel. Horn expects to meet Jess Williard at Los Angeles next month and after resting up here several days will leave for the southern city.

There was quite an excitement last Sunday evening as the N. W. P. train pulled into Verano. It seems that one of our locals got mixed up with a number of Hebrews over some hired rigs and during the scuffle a number of women interfered. All left for Frisco but the battle proved real interesting while it lasted.

Archie McKiver, with several of Grey J m's fair correspondents and the renowned correspondent of Vineburg, assembled one evening last week at Steve's Grill, Boyes Springs, and enjoyed an up-to-date feed. Art Hickman's presence was sought, but sad to relate he was on a pleasure trip in Frisco. The parties traveled by automobile and one good time was had.

BASEBALL NOTES.

BY A FAN.

Sonoma played game No. 13 last Sunday afternoon. The result was another drubbing by a score of 14 to 5. The game played on Sunday July 13th, resulted in a defeat for the home team by a score of 14 to to 1. It's no wonder that baseball players are superstitious. Let's rout the jynx next Sunday.

Ralph Evans made a sensational catch in left field in last Sunday's contest. Evans covers more ground than Ping Bodie.

Wanted—A little more "jaz."

Don't knock when the home team loses a few games. Look on the bright side once in a while. Here it is is: Games played 13, games won 9, games lost 4, percentage 692.

Pete Boccoli made 4 hits out of 4 times at the bat. Evidently Pete has a liking for southpaws. Bill Block played in hard luck last Sunday. Every ball that went Bill's way took a bad bounce either over his head or off to the side. Catcher Sansome of the Byron-Jacksons had a pretty peg to the bases.

Jack Lopus, manager of the Cotati nine, has signed Tony Blanco and three other former State leaguers. Lopus is anxious to win the Sonoma county championship.

Next Sunday's contest will start at 3:30 p. m.

Charged With Serious Crime.

E. Hirschfeld of San Francisco was arrested Wednesday morning by Deputy Sheriff Joe Ryan, charged with a crime against nature and locked up in the city jail to await his preliminary examination before Judge Campbell. The principal witness against the offender is an eleven-year-old lad. The alleged crime was committed last October, but Hirschfeld coyly eluded Officer Ryan and made good his get-away for the time being. Hirschfeld, however, thinking the matter had been forgotten returned to this valley the fore part of the week, and the arrest so long delayed followed.

Cost of Street Lighting Reduced

At a speeial meeting of the Board of City Trustees held last Wednesday evening the matter of reducing the cost of Sonoma's street lighting monthly bills came up for consideration. After some discussion F. L. Wright, general manager of the Cal. Telephone & Light Co., agreed to reduce the cost of street lights per month from $1.60 to $1.25 for each light and to install three extra lights. This will mean a gain of three lights and a saving on the electric light bill of nearly $10 per month.

Congregational Church, July 27

Morning worship 11 a. m.

No man was ever able to write his creed. He might write what he thought he believed, but a man's creed is the personal history he is making every day. Some men say they believe in God but no one would ever dream of it by reading their lives. Our creed is not all in our heads, but it is in our conduct. Are there any heathen in the State of California, "With ways that are dark and tricks that are in vain?" Come to church next Sunday and we will analyze human conduct.

Evening worship at 8 p. m.

Take notice with a big N. B. Home talent will give a sacred concert next Sunday night, to which the Sonoma public is invited. Miss Emilie Poppe organist, Miss Nancy Bates and Mr. Jansen soloists, Ralph Busbee and Frank Knolle, violinists.

I honor God when I accept any of His gifts with gratitude. It is not essential that birds have songs or that flowers have perfume neither is it essential that air be vibrant with sound, but Eternal Power is benevolent and seeks our happiness. Come and let all the people praise God.

One of the signs of progress is the popular demand that nations, states, counties, cities and towns have the same standard of morals as the citizens that make them.

Query:—Haven't they?

T. M. Price, Pastor.

Figuring Horse-Power of Automobile Engines

To find the horse-power of your motor-car, square the diameter of the cylinder, multiply it by the number of cylinders, and divide it by 2½.

"That is the rule adopted by the Society of Automobile Engineers. It is not absolutely accurate but it is approximately so, at a definite piston speed, and it is at least as fair for one maker as for another.

"While we are interested in this computation, still the Hudson cars are not rated according to any arbitrary formula. We test Hudson engines on a dynamometer, which gives readings showing actual brake horse-power. The motor of the "54," a Six-Cylinder car develops 57.8 horse-power at 1,500 revolutions per minute. At a little higher engine speed it shows 65 horse-power.

"It is hardly fair therefore to any of the modern efficient motor-cars to use the standard S. A. E. rating. Efforts are being made to secure a more accurate formula, and it is likely that this will be accomplished. Practically all motors are now made with the long stroke. This affects very much the accuracy of the standard rating."

The Black Point Cut-Off.

The Black Point Cut-off proposition comes up before the Board of Supervisors of Sonoma county on Wednesday, August 6th, for consideration, and if the people of Sonoma Valley expect aid from the county to put through the great and beneficent undertaking it behooves every one of our citizens who can do so to be present at that meeting and lend their moral support to a proposition that means everything for the future prosperity of this valley.

The Black Point Cut-off proposition was taken up several months ago by the El Verano Development Association, one of the largest and most influential civic organiztions in the Sonoma Valley. The proposition is simply this: It seeks to reduce the mileage some sixteen miles between points in this valley and Napa county and San Francisco via the State highway a short distance west of Black Point.

This cut-off of sixteen miles means much to the traveling public and the business interests of this section of the county. In order to bring about this great public improvement and its attendant benefits the El Verano Development Association, having had a preliminary survey made of the proposed route and found it entirely feasible, is now urging the co-operation and undivided support of the people of Sonoma Valley in particular and those of Sonoma, Napa and Marin counties in general to bring about this great distance saving project which if put through will be of lasting benefit to them. Therefore we say, let the people who will be benefitted by the proposed Black Point Cut-off get together and give this project one big boost and our word for it our efforts will not have been in vain.

Mr. Bigelow Then---Mr. Bigelow Now.

In view of the fact that G. J. K. Bigelow and his Expositor newspaper are making a vigorous campaign for the recall of Supervisor Weise and have put up candidate Kilgore to replace him on a platform pledged to six saloon licenses only in the Sonoma Valley, we present to our readers a statement issued to the liquor interests of this valley by Bigelow, when he was fishing for the support of the liquor men as a candidate for Supervisor five years ago the coming fall. This statement, made under his own signature, shows the hollow pretense and inconsistency of the man.

It will be observed in reading his statement that there were 61 saloons in this valley then, whereas there are only twenty now outside Sonoma. We quote:

STATEMENT TO THE LIQUOR INTERESTS.

"Read this over carefully and then read it over again, and sleep on it, and then read it over once again and I am sure that when the time comes to vote, you will believe what I say and not vote against YOUR OWN INTEREST. And that you will find in me a friend to every decent saloon in this district.

"There are 61 saloons in this Valley now!

"Will twice that many help your business any?

"YOU are trying to run a decent business now!

"Will one more saloon beside you and one across the road help you to keep your cash box full, and your business clean?

"When a man comes in and passes your license over the bar and says one dollar for delivering it IS IT A HOLD-UP?

"When a friend of Mr. Hart comes in and says that if Bigelow is elected, he will close you up or that he will raise your license, HE IS LYING, and you ought to know it. I am satisfied with the number of saloons in this valley, but do not want any more road houses on the county road that is all. As for high license, you are now paying all you can stand with only four months of good sales and eight months of just enough business to keep you from the poor house.

"They will tell you I hire Japs. I hire on the average of ten men per day throughout the year. Three of these are Japs—they have charge of my chicken ranch—clean the chicken houses and kill the lice. DO YOU WANT THE JOB?

"If there are no more saloon licenses granted on the roads of this valley do you know what it will mean for you? I will tell you, because the man that talks over the bar knocking Bigelow, will not. It means that, should you wish to sell out, that you should get a good price for your license, because that is the only way a new man can get into business—he must buy your license.

"The southern part of this State will send to the next Legislature its representatives mostly pledged to a local option law. Do you know want that means, if it is passed? If you don't look it up, and you will find if the saloons are doubled in this valley—and it comes to a show down—that the people will raise on a wave of reform and vote you out of business altogether. Don't laugh at this but take the trouble to write to the California Brewers' Association, or the California Wine Association, and ask them what they think about it.

"If the saloons are closed in this valley, it means as great a loss to me as it does to you, as I own over seven hundred acres of land here and rent one hundred more.

"I am sending this to you so when the time comes to vote, that you will vote intelligently and by so doing you will vote for the best interests in this valley and yourselves.

Yours Truly,
(Signed) J. K. BIGELOW.

Recent Intense Hot Spell and the Fruit Crop.

The recent intense hot weather did considerable damage to the prune crop and other kinds of fruit, which will cut down the crop on prunes at least 20 per cent and possibly between 5 and 15 per cent on grapes. The effect of this on the market has sent fruit prices soaring upward in anticipation of a short crop. The California Canned Fruit Exchange has sent out a warning to the growers not to sell their dried fruits unless they get a good strong price and we think the warning a timely one.

Reformer G. J. K. Bigelow, who is running the Expositor of this town, appeared before the Grand Jury, one day last week, and told a tale of woe as to the terrible conditions existing in this valley. He asserted that all the leading resorts down this way were the rendezvous of gamblers and sporting women. To verify his statements he sent into the Grand Jury room two of his hired detectives, who upon being put under oath testified that they had stopped several days at Boyes, Fetters and other leading resorts in this valley and found no gambling going on and no sporting women in sight and that the resorts of Sonoma Valley were the best and most orderly conducted of any in the State, thus giving the direct lie to Bigelow's wild utterances of disgraceful conditions in this valley. It is needless to add that the Grand Jury adjourned thoroughly disgusted with this mischief maker and standing joke who in his egotism wishes to pose before strangers as being somebody in this community.

The Bigelow recall petition to oust Supervisor Weise from his office was filed with the County Clerk Thursday. There will now be an expensive election to determine whether Mr. Weise is to remain in the office and conduct it in the interest of the people or whether he is to give way to a man who will run it for the benefit of a scheming sorehead disappointed office-seeker.

SLOW MAIL SERVICE

In commenting on the vexatious mail service in Sonoma Valley the Santa Rosa Republican of the 15th inst says:

"A matter that will not down is the delayed mail service between Santa Rosa and several important points in the Sonoma Valley. However, the difficulty is becoming easier of adjustment. Fetters' Springs, Saturday, was made a post office and like Boyes' Springs, is now a mail point. But those resorts, as are other places on the Northwestern Pacific branch line in Sonoma Valley, are hours far away from the county seat of Sonoma county. A letter for Fetters or Boyes leaving Santa Rosa in the morning will go the Northwestern Pacific direct to San Francisco and after a rest in the metropolis P. O. will resume its journey again started on the Northwestern Pacific it will switch at Ignacio and roll up the Sonoma valley during the afternoon, reaching its destination a little before dark. A letter early dispatched from Boyes to Santa Rosa first visits San Francisco and leisurely slips into this city late in the afternoon. These are the records of morning mails; if the aforesaid letters should be dispatched on evening trains the missives en route would pass one night in San Francisco.

All this can be obviated and doubtless will be. Mail for northern Sonoma valley points made up early in Santa Rosa might be dispatched to Sonoma (via Glen Ellen) thence distributed to destination by northbound forenoon Northwestern Pacific train. Mail from these resorts for the county seat may be distributed at Sonoma and transferred to S. P. train at Glen Ellen without loss of time. The respective running schedules of these two systems will permit this arrangement.

It is understood that the matter will be brought before the superintendent of the Railway Mail Service and the situation relieved of its handicap. A letter traveling by rail through a thickly populated territory, allowing for stops and transfers should go at least 25 miles an hour. A stage coach through the mountains will make 10; and a rural route carrier will do as well; yet the twenty mile railway mail service between Santa Rosa and Sonoma valley is two miles an hour, providing the letter gets off on a morning train. If by afternoon train, the speed (considering the San Francisco loop—18 hours) is nine-tenths of a mile an hour. A tortise route would make better time. With the parcel post service working from point to point it is a matter of more importance to local people that they be in quick mail touch with the world. Santa Rosa cannot afford to have a nineteen mile an hour service with a postal point in the county.

Mr. and Mrs. O. Wagner spent Tuesday in San Francisco.

Mrs. Pauline Michel, after a four-day's visit at the Granice home, returned to San Francisco last Tuesday morning.

Art Hickman, reporter for the "Index-Tribune" and amusement and publicity manager of Boyes Springs, has been unable to write the past two weeks owing to the fact that he had been busily engaged making arrangements for the big baseball game and picnic excursion which will arrive from Martinez tomorrow (Sunday). It is expected that there will be no less than 500 supporters on hand and no doubt an enjoyable day will be spent. Early in the afternoon the ball game will take place between Boyes and Martinez and this should prove a lively contest. After the game dancing will be held in the theatre, and other amusements will be available to the general public. A 38-piece band will accompany the merry-makers and it promises to be a record-breaking day at Boyes Springs.

The announcement has reached Visalia of the approaching wedding of Miss Agnes A. Merrill to Mr. Maurice H. Rowell on August 5th in Los Angeles. After a brief honeymoon spent in the southern part of the state, the happy couple will make their home in Sonoma city where Mr. Rowell will assume the position of principal of the Sonoma Valley Union High School the coming year. The bride-to-be is a most attractive young lady, a University of California graduate and an accomplished musician, playing the pipe organ as well as the piano. The prospective groom bears an enviable reputation in this community where he has resided for the past two years. Mr. Rowell's friends in Visalia feel that Sonoma is most fortunate in securing such as an estimable young man as he will be an acquisition to their city.—Times, Visalia.

Arrested and Fined for Trespassing.

Three visitors from San Francisco invaded the Watriss ranch last Thursday and armed with shot guns commenced shooting at everything in sight that looked like game. This attracted the attention of Frank Watriss, the veteran farmer of this valley, the owner of the ranch, and h approached the hunters and politely told them they were trespassing on his property and to get off. The trespassers defied him and the law and went right on shooting just the same. Mr. Watriss then came to town, swore out a warrant for the arrest of the men, which was placed in Deputy Sheriff Joe Ryan's hands and in a short time he had the trio hailed before Judge Campbell on a charge of trespassing. Each plead guilty to the charge and the Judge soaked them $15.00

THE WEISE RECALL PETITION IS FILED.

Expensive and Useless Election Will be the Result of Spite-Work of a Disappointed Office-Seeker

Guy J. K. Bigelow, the sore-headed disappointed office-seeker, after months of scheming and misrepresentation has at last succeeded in obtaining the requisite number of signatures to his recall petition to oust Supervisor Weise from office, and he filed the document with the County Clerk last Thursday. There were 416 names of voters on the petition, which is 40 in excess of the 370 required.

After the verification of the petition the County Clerk will so certify to the Board of Supervisors and it then becomes their duty in proper form to set the date for the recall election. Some weeks ago the opposition to Weise met and selected E. W. Kilgore as their candidate against Weise. So that the grounds of the recall petition may be understood the following is a copy thereof:

Petition to recall J. H. Weise, Supervisor, First District of Sonoma County, California

We the undersigned qualified electors of the first Supervisorial District of the County of Sonoma State of California, demand the recall of J. H. Weise, the duly elected, qualified and acting Supervisor of said district, and that his successor be elected in the manner provided by law.

For grounds of this petition we allege:

That the said J. H. Weise was elected, and qualified as such Supervisor of the First District of Sonoma County, California, on January 1, 1913, and ever since said time has been, and still is the duly elected, qualified and acting Supervisor of the said district, and during said time has been, and still is guilty of misconduct in office, as follows:

1. In failing to keep his pledge to confine the issuing of liquor licenses to a minimum, and to uphold the Anti-Roadhouse ordinance.

2. In advising, encouraging and issuing liquor licenses in defiance of the spirit and plain provisions of the Anti-Roadhouse ordinance, to persons not engaged in conducting a bona fide hotel with 35 sleeping apartments properly furnished for guests.

3. In advising and rescinding the resolution of the Board of Supervisors, limiting the number of licenses in a portion of the said district to eleven.

GLEN ELLEN NEWS ITEMS.

Al Cheffers, our popular tonsorialist, was in the metropolis Monday.

B. M. Greeley spent Wednesday in Oakland, returning the same evening.

"Kid" Ashe is paying strict attention to business and he reports it as being good.

Miss Kathrine McKabe of Berkeley is spending the week with Mrs John Trusty.

A number of our young folks enjoyed a hay ride to Sonoma on Friday evening of last week.

Joe Trusty and Bill Grachen journeyed to San Francisco to witness a few ball games this week.

On this (Saturday) evening the local Women of Woodcraft will hold a social dance in Chauvet Hall and a fine time is anticipated.

Among those who took in the minstrel show Saturday evening from Sonoma were Misses J Hansen, Agnes Moss, Agnes McAndrews, Georgie Andrews, Mr. and Mrs. Wm. von Hacht, and Messrs Roy Pauli, Ralph Evans, Theo. Keiser, Geo. McNab and a number of others.

The minstrel show and dance given in Chauvet Hall, last Saturday evening brought out a fair sized audience. The affair was in charge of the Glen Ellen base-ball team and Alexander's rag time band of San Francisco furnished music for dancing, which was kept up until 2 o'clock in the morning. The "society rag" was permitted and every body had one good time.

The base ball game played here Sunday between the local nine, and the 23rd Ave. Merchants of Oakland, resulted in a tie, the score being 10 to 10. Owing to the fact that the visiting team was compelled to catch their train, the game had to be called at the end of the ninth inning. Scanlon did the twirling for Glen Ellen and this boy can certainly put 'em over. The 23rd Ave. Merchants defeated Sonoma the Sunday before by the sweet score of 14 to 2.

Tomorrow afternoon the Glen Ellen nine will journey to Cotati to play the fast team of that town. The latter is now considered one of the fastest teams in the county with the addition of Tony Blanco and Logan as battery. Glen Ellen also has a fast team with the addition of Allen, formerly of the Fraser Fotos, and Wolfrum of Haywards. A good game is promised to all who attend.

The line up will be Scott, 3rd; Montgomery, s.s.; Bradley, lf; Hogan, cf; Wolfrum, c; Collins rf; Allen & Kaufman, 1st; Trusty & T. Collins, 2nd; Scanlon, Greeley, Vandyke, p.

Hay Market.

Somer's & Co., in their weekly bulletin, report the hay market for the past week as follows:

"Heavy receipts of hay continue to depress the local markets, the total arrivals for the past week just passed amounting to 4654 tons in comparison with 4276 tons the week previous. Although there is no noticeable decline in prices, yet it is very difficult to dispose of the hay which is now arriving to good advantage, consumers for the most part being confident that lower prices will prevail in the near future.

"The situation in the country districts is somewhat easier, holders of hay evidently coming to the conclusion that prices will be no higher—at least during the harvest senson. Operators in hay evidently are of the same opinion for there has been very little hay purchased for storage, the present money situation and the prevailing high prices having a material effect in the matter of buying hay for storage purposes.

"In districts of the State where the hay crop is light there has practically been no hay sold, growers holding their hay at exorbitant figures, not realizing the excellent hay crops which other sections of the State have produced. The absence of buyers who usually go to these districts has caused some anxiety on the part of the farmers who now are beginning to seek a market for their crops which have turned out better than first anticipated, but it is doubtful if they will be willing to dispose of their holdings at a price which will permit marketing at present.

"There is practically no change in the alfalfa market although in most sections the crop is turning out excellent and there is we think more tendency on the part of growers to sell at the present time."

VARICOCELE—STRICTURE—CURED IN 5 DAYS

Impaired circulation or obstructions. Call on or write me and I will convince the most skeptical that Varicocele, Stricture and also Hydrocele can be cured in five days, and in a larger majority of cases, in one treatment, pain ceases, swelling subsides or abstructions removed, circulation is rapidly re-established, the cure is permanent, this I guarantee, and cured to stay cured.

Young, Middle-Age and Old Men

"Run-down," "self-wrecked," nervous and debilitated men, you may be lacking in the power of manhood. If so, I will restore to you the snap, vim and vigor of vitality, the loss of which may be the result of indiscretions, excesses and unnatural weakness.

KIDNEY, BLADDER, URINARY and PROSTATE TROUBLES Cured to Stay Cured. Newly Contracted and Chronic Cases Cured, all Burning, Itching and Inflammation Stopped in 24 hours, and all Catarrhal, Chronic Disorders of Men and Women Successfully Treated. Piles and Fistula Cured in Five Days.

CALL OR WRITE—No detention from business. Treatment and advice confidential. Hours 9 a. m. to 8 p. m. Sunday 9 to 1. If you can not call, fill out the following coupon:

Dr. NAT KING, 832 Market St., San Francisco, Cal.

I cannot call, so send me Question Chart and your medical book on diseases of men, as I desire to describe my case to you for the purpose of taking treatment. If I decide you can cure me and your charge is low enough to suit and if we can mutually arrange terms and methods of taking treatment, with the understanding that consultation, examination and advice is Free.
